Important Audio/Video Information:

1. **Audio dial lines are limited.** If you receive a busy signal, all resources have been allocated.
2. Video participants are encouraged to test connectivity prior to the actual meeting.
Network troubleshooting will not be performed on the meeting day.
3. Please mute your phone or video system during the meeting unless there is a question or comment.
Sites producing disruptive audio will be muted by the conferencing bridge administrator.
4. Although offered from time to time, NCTTRAC is not responsible for CEU,CME, or CE administration.
5. Questions regarding audio or videoconferencing with NCTTRAC may be directed to:
